

Lara Johnson. Director, Lara Johnson Lifestyle.

From the age of 10 Lara knew she wanted to work in the hairdressing industry. After completing her apprenticeship in hairdressing Lara travelled the world on cruise ships before returning to London and working for Charles Wothington, British Hairdresser of the Year! As Manager of his Covent Garden Salon Lara gained valuable skills on both a creative and management level.

Travelling between London and Wales Lara saw the potential for a leading hair salon in South Wales and immediately planned on bringing Welsh Hairdressing to the forefront of international level. Her objectives were to open a salon which would reflect a higher level of luxury and comfort. Lara now boasts two leading hair salons with a team of almost forty, her accolades include Wales and South West Hairdresser of the Year at the British Hairdresser of the Year awards, the only team to have won from Wales; Lara's salon was the first to gain the Investors in People Award and was nominated for the 'Princes Trust Young Achievers Award' at the 'Welsh Woman of the Year Awards.'. In 2007 Lara won 'Swansea Bay Business Woman of the Year' and in June 2008 her Mumbles Boutique Salon won 'Most Stylish Salon of the Year' at Swansea's Style Awards. Most recently Lara won 'Welsh Woman of the Year' in the Small Business Owner of the Year category!
